# INCLUDING SAMUEL

A DOCUMENTARY BY DAN HABIB

### INCLUDING SAMUEL

Before his son Samuel was diagnosed with cerebral palsy, photojournalist Dan Habib rarely thought about the inclusion of people with disabilities. Now he thinks about inclusion every day. Shot and produced over four years, Habib's award-winning documentary film honestly chronicles the Habib family's efforts to include Samuel in every facet of their lives.

The film also features four other families with varied inclusion experiences, plus interviews with dozens of teachers, young people, parents and disability rights experts.

Translation and Interpreter services  
available upon request.
